

More Mad Science® fun is waiting for you in our **MAD LAB!**

Birthday & Family Parties!

- ❖ Our place...or yours! Now you have a choice of holding your child's birthday at home or your location of choice or in our **Mad Lab** at **4026 Meadowbrook Drive, Unit 123!**
- ❖ Perfect for children 3 – 12 years old...4 different parties to choose from!
- ❖ Need a class party idea? Our in-class workshops make a perfect party for your child that works with the school curriculum...teachers and schools love Mad Science®!

Friday Night "Funshops!" in the Mad Lab

- ❖ Looking for even more Mad Science®? Check out our new Friday Night "Funshops" weekly in the Mad Lab from 6:30 pm until 7:30 pm for only \$10 per child.
- ❖ A different topic each week with a take-home project for each registered participant.
- ❖ Parents can stay and watch...or sneak out for a quiet coffee!
- ❖ Check our list of topics at <http://london.madscience.org/labprograms.aspx>

P. A. Camps are here!

- ❖ P.A. Day camps are back and better than ever!
- ❖ Early drop-off and late pick-up available.
- ❖ Lots of great programming, fun activities with qualified and trained staff
- ❖ Watch our website or follow us on Facebook or Twitter for camp updates!

Registration

Registration forms must be received by the Mad Science® office or online. Completed registration forms and payments should be mailed or delivered to our location.

Mad Science of London
123-4026 Meadowbrook Drive
London, ON N6L 1C7

Directions: Take Wellington south to Exeter Road. Turn right on Exeter Road. Turn left on Meadowbrook Drive. Turn left into first drive way, then right in to our parking area.

Payment

Payment for classes is due with the return of each student's completed registration form. Please make cheques or money orders payable to "**Mad Science of London**" and write your child's name and "Homeschool Class" on the front of the cheque.

Should you wish to postdate your cheque, we ask that you highlight the date so that we do not accidentally cash it early. Cheques must be dated prior to the start of the program.

Sparking Imaginative Learning

At The Mad Science Lab!

Wednesdays from 10:00 am to 11:00 am

Wednesday: March 9, 23, 30, April 6, 13, 20, 2016

No classes during March Break

Bugs!

Get engrossed in entomology! Find out about arthropods and inspect authentic insect specimens. Use an ultraviolet powder demonstration lights up the truth on how insects spread pollen.

Earthworks

Dig-in to Earth science! Check out rock samples; find out how they were made and where they were formed. Inspect minerals with an ultraviolet light to see them fluoresce.

Kitchen Chemistry

Get clued in on the chemical reactions that occur when you prepare, analyze, and digest their food. Divide common kitchen activities into chemical and physical reactions. Test food samples in search of nutrients, starch, and protein.

Mad Machines

Discover how simple machines make our lives easier. Launch with levers, secure with screws, and work with wedges through hands-on activities!

Movie Effects

Sit in the director's chair and discover why science is the real star on the big screen. Discover the science behind the sound, 3-D and weather effects from your favorite movies.

Science of Toys

Test, play, and ponder over what makes toys work. Spin into action with kinetic top toys. Balance bugs and birds to reveal their centers of gravity. Learn that opposites attract with magnetic toys and then take a turn at creating a gear train.

All sections of this form must be completed. Incomplete forms will be returned to sender. One child per form.

Mad Science Homeschool Group
